

Our Mission

Tareeq Al Huda was established in order to give children in our community a chance to acquire the knowledge to read and memorize the Quran with the rules of tajweed and to learn the meaning of the ayat. In addition, the school teaches the students Islamic beliefs through the teachings of Prophet Mohammad (SAW). Furthermore, socially the students will obtain friendships as they positively define their Muslim identity.

ABOUT US

Tareeq Al Huda is a two -day based class that builds a platform for students to learn Quranic and Islamic Studies. TAH also augments a social atmosphere so that our children are able to form life-long healthy friendships. The school runs from September to June.

This program was established in 2014 and it has been growing successfully, with the help of Allah (SWT), our dedicated staff, the support from the parents and the ICR community. We currently have students comprising of five to sixteen year olds. It is our hope that our students leave TAH with the knowledge and values that they will use now and set an example for future generations.
